Date: April 15, 2020

To: The Honorable Commissioners

From: Shivaji Deshmukh
General Manager

Subject: Adoption of Resolution 2020-4-1, Establishing Regular Meetings for the Chino Basin Regional Financing Authority

RECOMMENDATION

It is recommended the Commissioners adopt Resolution 2020-4-1, establishing the times of regular meetings of the Chino Basin Regional Financing Authority (the “Authority”) Commissioners be held at 9:30 a.m. on the third Wednesday of each month, same date as regular meetings of the Board of Directors of the Inland Empire Utilities Agency (Agency).

BACKGROUND

The Authority was established by the Agency and the Cucamonga County Water District (now known as the Cucamonga Valley Water District) on May 1, 1993 to provide its members financing in connection with the acquisition, construction and improvement of public capital improvements, working capital requirements or insurance programs. To date, the Agency has utilized the Authority for issuance of all bonded debt.

The Agency will utilize the Authority to issue some of the new borrowing needed to finance the RP-5 Expansion Project, including the Water Infrastructure Finance and Innovation Act (WIFIA) federal loan and related issuance of short-term interim financing, such as bond anticipation notes.

Section 6592.1 was added to the California Government Code requiring that “A resolution authorizing bonds or any issuance of bonds or accepting the benefit of any bonds or the proceeds of bonds shall be adopted by an authority only during a regular meeting held pursuant to Section 54954.” This provision applies to joint exercise of powers authorities such as the Chino Basin Regional Financing Authority (the “Authority”).

Under Section 6592.1, adoption of the resolution authorizing the WIFIA loan and short-term interim financing must take place at a regularly scheduled meeting. To implement Section 6592.1, the Commission may provide that the Authority’s regular meetings will be held on the same date as regular meetings of the Board of Directors of the Inland Empire Utilities Authority (the “Agency Board”). By doing this, the Authority will have flexibility in selecting from periodic regularly scheduled meetings throughout the year, as needed, when approving the issuance of bonds and thus meet the requirements of Section 6592.1 of the California Government Code. In the event that the Secretary of the Authority determines that there is no business of the Commission to be
conducted at a regular meeting, then the President of the Authority, the Vice President of the
Authority, the Secretary of the Authority, and other officers of the Authority will be authorized to
take whatever actions are required by law to cancel such regularly scheduled meeting.

**PRIOR BOARD ACTION**

There is no prior Board action.

**IMPACT ON BUDGET**

None.
