**Inland Empire Utilities Agency Receives Certificate of Achievement  
for Excellence in Financial Reporting**

**Inland Empire, CA** – For the 16<sup>th</sup> consecutive year, the Inland Empire Utilities Agency (IEUA) has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its Fiscal Year 2013/14 comprehensive annual financial report (CAFR).

The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. IEUA's CAFR met the high standards set by GFOA by demonstrating a constructive "spirit of full disclosure" to clearly communicate IEUA's financial information and motivate potential users to read the CAFR.

"IEUA's Board of Directors is proud of the Finance and Accounting Department for earning this award," said Board President Terry Catlin. "This is the 16<sup>th</sup> consecutive year IEUA has received this honor, and our success is due to the hard work and dedication of the staff members who contributed to preparing the report."

The GFOA is a non-profit professional association serving 17,500 government finance professionals throughout North America.
