BIA Honors Inland Empire Utilities Agency with “Good Government” Award
Recognized for Demonstrating Leadership and Public Responsibility

Inland Empire, CA – The Building Industry Association of Southern California (BIA), Baldy View Chapter honored the Inland Empire Utilities Agency (IEUA) with its “Good Government” award during its annual Holiday Charity Gala on Thursday, December 3.

While presenting the award, BIA’s Chief Executive Officer Carlos Rodriguez recognized IEUA’s efforts in drafting and adopting a new ten-year capital improvement plan to ensure western San Bernardino County continues to have a reliable water and sewer treatment system. In addition, Mr. Rodriguez acknowledged IEUA’s leadership in conservation and outreach, highlighting the conservation programming efforts in response to statewide drought as well as IEUA’s collaboration with the BIA on informative newspaper editorials and participation in the 9th Annual San Bernardino County Water Conference and the Housing Policy Conference.

“This award is a testament to IEUA’s commitment to water resource management,” stated IEUA Board President Terry Catlin. “The entire IEUA staff is to be commended for their efforts to provide leadership and sound planning to ensure the region has a high quality, reliable water supply.”

IEUA’s Ten-Year Capital Improvement Plan can be found on the Agency’s website at <http://www.ieua.org/fiscal-year-201516-ten-year-capital-improvement-plan-final/>.

The Building Industry Association of Southern California, Baldy View Chapter’s mission is to promote growth of the building industry through representation of its members and educating both the industry and the community at the local level. In addition, the Baldy View Chapter shall maintain a presence and influence on industry-related issues at regional, state, and national levels. is to foster a healthy business environment for the homebuilding industry and help families achieve the American Dream of Homeownership.

The Inland Empire Utilities Agency covers 242-square miles, distributes imported water, provides industrial/municipal wastewater collection and treatment services, and other related utility services to more than 850,000 people through its member agencies which include Chino, Chino Hills, Cucamonga Valley Water District, Fontana, Fontana Water Company, Montclair, Monte Vista Water District, Ontario, and Upland.
