**Business Goals**

For any organization to remain relevant and effective, its ability to adapt and prepare for change is essential. As illustrated below, the six identified IEUA Business Goals encompass key objectives which must be continually evaluated and derived into work plans to ensure that current and future needs of the Agency and region are acted upon. The IEUA Business Goals were adopted by the IEUA Board of Directors on December 21, 2016.

**Mission Statement**

Inland Empire Utilities Agency is committed to meeting the needs of the region by providing essential services in a regionally planned and cost effective manner while safeguarding public health, promoting economic development, and protecting the environment.

Key areas of service:
- Securing and supplying imported water.
- Collecting and treating wastewater.
- Producing high-quality renewable products such as recycled water, compost, and energy.
- Promoting sustainable use of groundwater and development of local water supplies.

**Vision**

To become a world class leader in water management and environmental stewardship, including water quality, water-use efficiency, recycled water, and renewable energy, in order to enhance and preserve the quality of life throughout the region.

**Values**

Leading the way. Planning for the future. Protecting the resources of the communities we serve. The Inland Empire Utilities Agency is:
- Committed to applying ethical, fiscally responsible, transparent and environmentally sustainable principles to all aspects of business and organizational conduct.
- Working with integrity as one team, while celebrating the region’s diversity.
- Staying in the forefront of the industry through education, innovation, efficiency, and creativity.
**Goal**: IEUA is committed to safeguarding the Agency’s fiscal health to effectively support short term and long term needs, while providing the best value for our customers.
