1. ACTION ITEM

A. MINUTES

Upon motion by Commissioner Hall, seconded by Commissioner Elie, and unanimously carried:

M2016-9-1
MOVED, to approve the minutes of the May 18, 2016 and July 20, 2016, minutes of the Commission meetings of the Chino Basin Regional Financing Authority.

B. ADOPTION OF RESOLUTION NO. 2016-7, APPROVING AND ADOPTING THE IEUA-POMONA-MVWD RW INTERTIE PROJECT CEQA AS CEQA-RESPONSIBLE AGENCY

Grants Officer Jason Gu reported that in December 2015, the Agency submitted the IEUA-Pomona-MVWD Intertie grant and SRF loan application on behalf of the Chino Basin Regional Financing Authority (CBRFA). He stated that since CBRFA is the applicant for the project, the SWRCB requires the CBRFA to adopt the California Environmental Quality Act (CEQA) documents as a CEQA-Responsible Agency for grant application purposes. IEUA Board of Directors has approved the CEQA documents as CEQA-Lead Agency, in July 2016.

IEUA-Pomona-MVWD project has an estimated project cost of $52 million, the application is seeking a $15 million Prop I grant funding and a $37 million SRF loan.

Mr. Gu said the project is the result of a collaborative study by IEUA, Pomona, and MVWD. He stated that the Integrated Water Resources Plan (IRP) identified potential recycled and groundwater supplies from the City of Pomona. The excess water supplies from the City of Pomona’s wastewater treatment plan and the Spadra Basin Well 19 could be used by IEUA, and for the mitigation of the land subsidence problems in the Pomona and Montclair area. He said that the project will construct a booster pump station, water conveyance pipeline, and an advanced water treatment plant. The excess water will be recharged to the Montclair Basin for future beneficial use.

Mr. Gu reported that the Initial Environmental Study and public review were completed in June 2016. He said that the Mitigated Negative Declaration (MND) compliance approach will be used during construction to address the environmental impacts via the Mitigation Monitoring and Reporting Program, which includes Traffic Control, Air Quality, Hazards and Hazardous Materials, Biological Resources, Hydrology and Water Quality, Utilities, Service Systems and Energy, Cultural Resources, Land Use and Land Use Planning, Mandatory Findings of Significance, Geology, Soils, and Seismicity and Noise Control.

Mr. Gu stated that staff recommends the Board of Commissioners approve the adoption of Resolution No. 2016-7, approving the Initial Study, Mitigated Negative Declaration (MND) and the Mitigation Monitoring and Reporting Program (MMRP) of the IEUA-Pomona-MVWD Intertie Project, as a CEQA-Responsible Agency.

Upon motion by Commissioner Elie, seconded by Commissioner Camacho, and unanimously carried:

M2016-7-3
MOVED, to:

1. Adopt Resolution No. 2016-7, approving and adopting the Initial Study, Mitigated Negative Declaration (MND) and the Mitigation Monitoring and Reporting Program (MMRP) of the IEUA-Pomona-MVWD Intertie Project as a CEQA-Responsible Agency; and
Continued...

M2016-7-3, continued.

2. Authorize IEUA’s General Manager, or his designee, to file the Notice of Determination (NOD) with the San Bernardino County Clerk of the Board and Los Angeles County Clerk.

With no further business, President Catlin adjourned the meeting at 10:07 a.m.

A commission meeting of the Chino Basin Regional Financing Authority was held at the office of the Inland
Empire Utilities Agency, *A Municipal Water District, 6075 Kimball Avenue Chino, California on the above
date.

Vice President Hall called the meeting to order at 10:05 a.m., and Commissioner Camacho led the pledge of
allegiance. A quorum was present.

Vice President Hall stated that members of the public may address the Commission. There were no persons
desiring to do so.

Vice President Hall asked if there were any additions/deletions to the agenda. There were no
additions/deletions to the agenda.
General Counsel Jean Cihigoyenetche announced that Commissioner Hofer is on the telephone. He is going to participate by telephone during the Regular IEUA Board meeting following this meeting, as posted; however, the Chino Basin Regional Financing Authority (CBRFA) meeting did not include a notice as required by the Brown Act, for him to participate in the CBRFA meeting by telephone. He will be exercising his first amendment right as a citizen to listen in the CBRFA meeting, but he will not be able to comment or vote on any matters that come before the CBRFA.

1. **ACTION ITEM**

A. **ELECTION OF OFFICERS**

Vice President Hall turned the meeting over to General Counsel Jean Cihigoyenetche, who opened the nominations for the Board’s officers. General Counsel stated that every year the Commissioners elects officers of the Chino Basin Regional Financing Authority Commission. He stated that the positions include President, Vice-President, and Secretary.

He opened the nominations for President. Commissioner Camacho nominated Commissioner Hall for the office of President. Hearing no other nominations, the nominations were closed. By voice vote, Commissioner Hall was unanimously elected President of the Chino Basin Regional Financing Authority Commission.

General Counsel opened the nominations for Vice President. Commissioner Camacho nominated Commissioner Elie for office of Vice President. Hearing no other nominations, the nominations were closed. By voice vote, Commissioner Elie was unanimously elected Vice President of the Chino Basin Regional Financing Authority Commission.

General Counsel opened the nominations for Secretary. Commissioner Camacho nominated Commissioner Parker for the office of Secretary. Hearing no other nominations, the nominations were closed. By voice vote, Commissioner Parker was unanimously elected Secretary of the Chino Basin Regional Financing Authority Commission.

Upon voice vote the motion was unanimously carried:

**M2017-1-1**

**MOVED**, approval the following slate of officers:

- President – Jasmin A. Hall
- Vice President – Steven J. Elie
- Secretary – Kati Parker
B. ADOPTION OF RESOLUTION NOS. 2017-1 THROUGH 2017-3, FOR RECHARGE MASTER PLAN UPDATE GRANT AND LOAN APPLICATIONS

Grants Officer Jason Gu stated that this item is to recommend that the Commission adopt three resolutions supporting a grant award received from the State Water Resources Control Board (SWRCB), and a State Revolving Fund (SRF) loan application for the Recharge Master Plan Update (RMPU) project. He stated the RMPU project is a joint regional project between IEUA and the Chino Basin Watermaster (CBWM), and for this reason, the application for grant loans were submitted through the Chino Basin Regional Financing Authority (CBRFA). Mr. Gu stated the SWRCB administers the 2014 Proposition 1 Water Bond, which made available $80 million for the Storm Water Grant - Round 1. He reported that in July 2016 IEUA submitted grant an application for the RMPU project 23a, and in December 2016, a $10 million grant award was received. He stated that IEUA also submitted a SRF loan application for the entire RMPU Project planning, design and administration through the CBRFA. Mr. Gu stated that the SWRCB required that the CBRFA adopt resolutions for both the grant and the SRF loan programs, authorizing the President of CBRFA, or designee, to sign and file financial assistance applications and execute the financial assistance agreements. He said additionally, to align with the established IEUA procedures, it is requested that the CBRFA adopt a resolution designating the Grants Officer as the Project Director to negotiate the agreement and sign grant reimbursement invoices and progress reports.

Upon motion by Commissioner Elie, seconded by Commissioner Parker, and unanimously carried:

M2017-1-2
MOVED, to:

1. Adopt Resolution No. 2017-1, authorizing the President of the Authority to sign and file a Financial Assistance Application for an assistance agreement from the State Water Resources Control Board (SWRCB) for the planning, design, and construction of the Storm Water Management Facilities;

2. Adopt Resolution No. 2017-2, authorizing the President of the Authority to sign and file the State Revolving Fund (SRF) loan application and agreement with the SWRCB for the planning and design of the Recharge Master Plan Update (RMPU) projects;

3. Adopt Resolution No. 2017-3, designating the grant Project Director; and

4. Authorize the President of the Authority to sign the Designation Letter.

With no further business, President Hall adjourned the meeting at 10:15 a.m.

ACTION ITEM 1B

Chino Basin Regional Financing Authority
CHINO BASIN REGIONAL FINANCING AUTHORITY

Date: December 20, 2017  
To: The Honorable Board of Directors  
From: Halla Razak, General Manager

Executive Contact: Christina Valencia, Treasurer

Subject: Chino Basin Regional Financing Authority Fiscal Year 2016/17 Annual Financial Statements

Executive Summary:

The Annual Financial Statements of the Chino Basin Regional Financing Authority (CBRFA) for the Fiscal Year ended June 30, 2017, were prepared in conformity with accounting principles generally accepted in the United States of America (GAAP), as set forth by the Governmental Accounting Standards Board (GASB). The Inland Empire Utilities Agency (Agency) independent audit firm, Lance, Soll & Lunghard, LLP (LSL) performed the financial audit.

The audited financial statements will allow the CBRFA to comply with the State Controllers mandate to provide audited financial information when filing the annual State Controller’s Report, as well as allow the use of the CBRFA to apply for financing the future regional projects, such as the Regional Recycling Water Plant No. 5 (RP-5) liquid and solid expansion and the Regional Recycling Water Plant No. 1 capacity recovery.

The CBRFA was established by the Agency and the Cucamonga County Water District (now known as the Cucamonga Valley Water District) on May 1, 1993, to provide its members financing in connection with the acquisition, construction and improvement of public capital improvements, working capital requirements or insurance programs. To date, only the Agency has utilized the CBRFA for debt issuance. All bonds currently outstanding, comprised of the 2008B Variable Rate Debt Bonds (2002A Refinancing), 2010A Revenue Bonds (1994 Refinancing, and the 2017A Refunded Bonds (2008A Refinancing), are also reported as debt obligations in the Agency’s financial statements.

Staff’s Recommendation:

1. Approve the financial statements for the FY ended June 30, 2017; and

2. Direct staff to distribute the reports, as appropriate, to the various federal, state, and local agencies, financial institutions, and other interested parties.

This section of the Authority's annual financial report presents our analysis of the Authority's financial performance during the fiscal year that ended on June 30, 2017. Please read it in conjunction with the financial statements, which follow this section.

FINANCIAL HIGHLIGHTS
The Authority's net position did not change, as the revenue and interest earned on the bond reserves equaled the expenditures and interest expense on the bonds payable.

During the year, $6,015,000 in long-term debt was paid from payments received from the Installment Purchase Agreements.

OVERVIEW OF THE FINANCIAL STATEMENTS
The discussion and analysis are intended to serve as an introduction to the Chino Basin Regional Financing Authority's financial statements. The Authority's financial statements consist of two components: (1) financial statements and (2) notes to the financial statements. The Authority is a self-supporting entity and follows the enterprise fund reporting. Accordingly, the financial statements are presented using the accrual basis of accounting.

FINANCIAL ANALYSIS OF THE AUTHORITY
Our analysis of the Authority begins on page 6 of the financial statements. The goal of the Authority is to have the installment contracts receivable remain equal to the amount of outstanding debt in order that its proceeds are available to pay the debt. Thus, net position of the Authority (the difference between the installment contracts receivable and the unpaid debt) should be zero. Since the Authority is a financing entity, all of the revenues and principal collected on the investment Authority's Revenue Bonds are used to pay the interest and principal on the outstanding Bonds resulting in no change in net position.
NET POSITION

To begin our analysis a summary of the Authority's Statement of Net Position is as follows:

BUDGETARY HIGHLIGHTS

The Authority's Board of Directors is not required to adopt a budget.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets - The Authority does not own any capital assets.

Long-term Debt - At year-end, the Authority had $130,800,000 in long-term debt, down from $194,200,000 in fiscal year 2016, for a decrease of $63,400,000. The decrease was due to the Authority refunding the $125,000,000 of 2008A Revenue Bonds with the $67,615,000 2017A Revenue Bonds and $6,015,000 of debt service payments. More detailed information about the Authority's long-term debt is presented on pages 13 through 17 in the Notes to the Financial Statements.

Note 1: Summary of Significant Accounting Policies

a) Organization

The Chino Basin Regional Financing Authority (the Authority) is a joint exercise of powers authority created by a joint powers agreement between Inland Empire Utilities Agency (Agency) and Cucamonga Valley Water District, dated May 1, 1993. The purpose of the Authority is to provide, through the issuance of debt, financing necessary for the construction of various public improvements. The Authority is a component unit of the Agency.

The Authority functions as a separate entity and its policies are determined by the members of the Commission comprised solely of the governing board of the Agency. All staff work is performed by the officials and staff of the Agency or by consultants.

b) Financial Statement Presentation

The financial statements which include the statement of net position, the statement of revenues, expenses and changes in net position, and the statement of cash flows report information on all of the activities of the Authority. The Authority's assets and liabilities are included in the statement of net position. The statement of revenues, expenses and changes in net position presents changes in net position. These financial statements present only the Chino Basin Regional Financing Authority and do not purport and do not present the financial position of the Inland Empire Utilities Agency.

c) Measurement Focus and Basis of Accounting

The financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Under the economic resources measurement focus, all (both current and long-term) economic resources and obligations of the reporting government are reported in the statement of net position. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of related cash flows.

d) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from the estimates.

e) New Accounting Pronouncements

GASB has issued the following statements which may impact the Authority's financial reporting requirements in the future:

Note 2: Cash and Investments

Cash and investments at June 30, 2017 are classified in the accompanying financial statement as follows:

Restricted assets:
Cash and investments $ 2,552,576

Cash and investments at June 30, 2017 consisted of the following:

Investments $ 2,552,576

Investments Authorized by Debt Agreements

Investment of debt proceeds held by bond trustees are governed by provisions of the debt agreements, rather than the general provisions of the California Government Code or the Authority's investment policy.

Disclosures Relating to Interest Rate Risk:

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the Authority manages its exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flows and liquidity needed for operations.

Information about the sensitivity of the fair values of the Authority's investments and those held by bond trustees to market interest rate fluctuations is provided by the following table that shows the distribution of the Authority's investments by maturity:

</thead>
<tbody>
<tr>

Disclosures Relating to Credit Risk:

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by (where applicable) the California Government Code, the Authority's investment policy, or debt agreements, and the actual rating as of fiscal year end for each investment type.

Note 2:  Cash and Investments (Continued)

Concentration of Credit Risk

There are no investments in any one issuer that represent 5% or more of total Authority’s investments.

Custodial Credit Risk

The Authority’s cash and investments are held by the bond trustee who selects the investment under terms of the applicable indenture agreement, acquires the investment and holds the investment on behalf of the Authority.

Note 3:  Installment Contracts Receivable

The Authority issued the $125,000,000 Series 2008A Revenue Bonds to primarily finance the cost of certain replacements and improvements of the Agency’s facilities. The Authority and the Agency entered into the Installment Purchase Agreement (Replacement Projects) and the Installment Purchase Agreement (Improvement Projects) on November 1, 2007. The Agency agrees to pay the Authority installment payments in an amount sufficient to pay the principal and interest coming due on the Bonds. These Bonds were refunded on February 2, 2017 by the issuance of the Refunding Revenue Bonds, Series 2017A. The balance of the receivable from the Agency at June 30, 2017, was $0.

The Authority issued the $55,675,000 Series 2008B Variable Rate Demand Revenue Refunding Bonds to refund the Authority’s Series 2002A Variable Rate Revenue Bond. The Authority and the Agency entered into the Installment Purchase Agreement on March 1, 2008. The Agency agrees to pay the Authority installment payments in an amount sufficient to pay the principal and interest coming due on the Bonds. **2008A Revenue Bonds:**

Pursuant to an indenture dated November 1, 2007, on February 5, 2008, the Authority issued $125,000,000 Revenue Bonds to (i) finance the cost of certain replacements of the Agency's wastewater facilities and certain improvements to the wastewater recycled water and non-reclaimable wastewater facilities, (ii) to refund the outstanding Chino Basin Regional Financing Authority Commercial Paper, (iii) to purchase a debt service surety bond for deposit in the Reserve Fund, (iv) to capitalize interest on a portion of the Bonds, and (v) to pay the cost of issuing the Bonds.

The bonds are payable solely from Revenues and from certain other amounts on deposit in funds and accounts under the indenture. Revenues consist primarily of Installment Payments received by the Authority from the Agency pursuant to an Installment Purchase Agreement (Replacement Projects), dated as of November 1, 2007 by and between the Agency and Authority and an Installment Purchase Agreement (Improvement Projects) dated as of November 1, 2007 by and between the Authority and Agency. The obligation of the Agency to make Installment Payments is a special obligation of the Agency payable solely from the Net Revenues of the Agency.
Note 4:  Long-Term Debt

2008A Revenue Bonds (Continued):

The Bonds were refunded on February 2, 2017 by the issuance of the Refunding Revenue Bonds, Series 2017A. The balance outstanding at June 30, 2017, was $0.
