If he/she gives the Agency 30+ days advance notice of separation, he/she may be permitted to utilize floating holiday. Unused floating holiday time shall not be paid out upon separation from employment.

Section 11.05. - Vacation Leave

All employees shall accrue vacation leave time, but may not use the accrued leave during the same pay period in which said leave is accrued. All original probationary employees shall accrue vacation leave but will not be able to use the accrued leave until completion of the original probationary period or during the first six (6) months of employment in the event of a one (1) year original probation. In case of a family emergency, an employee on original probation shall be permitted to utilize accrued vacation leave. Vacation leave is computed and administered as follows:

- A. All employees shall be entitled to accrue vacation leave with pay as follows:

Continuous Months of Service	Continuous Years of Service	Hours Accrued per Pay Period	Hours Accrued per Year	Maximum Accrual
0-60	0-5	3.077	80	160
61-72	6	3.692	96	192
73-84	7	4.308	112	224
85-108	8-9	4.923	128	256
109-180	10-14	6.154	160	320
181-239	15-19	6.769	176	352
240 and thereafter	20+	7.692	200	400

- B. The maximum length of a continuous vacation leave, which is not interrupted by working on the Agency's behalf, shall be equal to four (4) weeks.
- C. Vacation leave periods which exceed the limits specified in Paragraph C above, must be approved in writing by the General Manager, or designated representative(s), and in the best interest of the Agency.
- D. Vacation leave shall be limited to those days already earned by the last day of the vacation period. No advance of vacation leave shall be permitted, without the expressed written consent of the General Manager, or designated representative(s).
- E. Holidays that occur during an employee's vacation period shall not be considered as a vacation day.
- F. In cases where an employee forfeits vacation leave time at the request of the Agency, upon approval of the General Manager, said employee shall be compensated for forfeited vacation leave time at the employee's current hourly rate of pay. It is the employee's responsibility to schedule vacation time well in advance to avoid forfeiting his/her vacation or to avoid any conflicts.
- G. Employees who are on vacation leave shall be compensated at their current hourly rate of pay.
- H. Vacation leave shall be pre-approved by the employee's supervisor. The employee's wishes shall be considered in evaluating leave requests; however, the Agency's needs shall take precedence. Vacation leave requests that are less than six (6) months away shall be responded to within fourteen (14) days of submittal. Vacation leave requests that are more than six (6) months away shall be responded to within twenty-one (21) days of submittal.
- I. Regular and probationary employees who leave Agency employment shall be compensated for all vacation leave time accrued but not yet taken to the maximum of the vacation leave the employee is entitled to accrue. Compensation shall be at the employee's hourly rate of pay at the time of separation.
- J. An employee who is on Unpaid Status, as defined in Section 1.28, shall not accrue vacation leave.

- K. Should an employee become ill or injured while on vacation leave, the employee shall be entitled to use sick leave upon approval of the employee's supervisor. The Agency reserves the right to investigate any illness or injury or require verification of any illness or injury for which an employee is claiming sick leave benefits.
- L. An employee must be in a paid status for a minimum of sixty (60) hours per pay period to receive the vacation accrual rates outlined in Section 11.05.A. Vacation accrual rates will be reduced for an employee who is not in a paid status for a minimum of sixty (60) hours per pay period using the following formula:

Accrual rate ÷ 80 hrs/pay period = adjusted accrual rate
 Adjusted accrual rate x hrs paid = reduced accrual amount

For example: An employee in his/her 30th month of employment, who is receiving pay for 43 hours in a pay period, shall accrue vacation at the following rate:

$3.077 \div 80 \text{ hrs/pay period} = 0.0385$
 $0.0385 \times 43 \text{ hours} = 1.6555$

In this example, the employee would accrue 1.655 hours of vacation, rather than the regular amount of 3.077, for this pay period.

- M. **Vacation Leave Cash Out.** During March of each year or as approved by the General Manager or his/her designated representative, an employee may, at his/her option, request to convert up to a maximum of seventy percent (70%) of his/her respective annual vacation leave accrual to receive a cash payment at his/her current rate of pay, provided that he/she has used at least thirty percent (30%) of his/her respective yearly vacation leave accrual during the previous twenty-six (26) pay periods.

Hours Accrued per Pay Period	Hours Accrued per Year	Minimum Hours Used (30%)	Maximum Hours Cash-Out (70%)
3.077	80	24	56
3.692	96	29	67
4.308	112	34	78
4.923	128	38	90
6.154	160	48	112
6.769	176	53	123
7.692	200	60	140

- 1) It is the employee's responsibility to track his/her own accruals and make a written request for said conversion by the conclusion of the last pay period in March or as approved by the General Manager or his/her designated representative. A payroll stuffer will be sent out to all employees during the last pay period in February or as approved by the General Manager or his/her designated representative, reminding employees of this option.

- 2) Payment shall be made to qualified employees on a separate check from payroll on the first pay date in April or as approved by the General Manager or his/her designated representative.
- 3) Qualification for vacation leave cash out and payment shall be based on:

Year	Accrual Rate as of:	Usage Timeframe	Cash-Out Pay Date
2022	February 9, 2022	2/21/21 - 2/19/22	April 12, 2022
2023	February 8, 2023	2/20/22 - 2/18/23	April 10, 2023
2023	February 20, 2024	2/19/23 - 2/17/24	April 9, 2024

- 4) Cashing out of vacation leave accrual shall only be available to employees who have completed thirty-six (36) months of service with the Agency as of the end of the pay period corresponding with the last pay date in February.

Section 11.06. - Sick Leave

All regular and probationary employees shall accrue sick leave time, but may not use the accrued leave during the same pay period in which said leave is accrued. All original probationary employees shall accrue sick leave time; however, such employees will not be able to use the accrued leave until completion of the original probationary period or the first six (6) months in the event of a one (1) year original probation, except in emergency situations when approved in writing by the General Manager, or designated representative(s). Should an employee fail to complete the original probationary period, any advance of sick leave shall be deducted from the employee's final pay.

Paid sick leave is a privilege the Agency grants to employees to allow the continuation of pay and fringe benefits in case of personal (or family) illness and, as such, its usage should not be abused. Maintaining good attendance is a condition of employment and an essential function of your job. To minimize hardships that may result from illness or injury, the Agency provides sick time benefits in case of personal (or immediate family) illness/injury. However, periodic sick leave taken on a repeated basis may be viewed as abuse of the system. This leave time is computed as follows:

- A. All regular and probationary employees shall accrue sick leave time at the rate of 3.692 hours per pay period or equivalent to ninety-six (96) hours per anniversary year.
- B. Regular employees shall be permitted to expend accrued sick leave time for the following reasons:
 - 1) Employee is suffering illness or injury.
 - 2) Employee is placed on quarantine due to exposure to contagious disease.
 - 3) Employee requires medical treatment or examination including, but not limited to, health, dental, or vision.

- 4) Death in the employee's immediate family. Up to ten (10) working days of sick leave may be used for bereavement purposes (see Section 11.08).
 - 5) Illness or injury in the employee's immediate family (see Section 1.09.A).
 - 6) Special cases require approval of the General Manager, or designated representative(s).
- C. An employee who is ill or injured may be required to take sick leave if the employee or co-workers are being exposed to the hazard of illness or injury. If it is determined by a physician or other qualified medical practitioner that the employee is not ill or injured, the Agency shall bear any expenses incurred including lost wages, mileage, and medical fees. If the employee is found to be ill or injured, the employee shall be responsible for such expenses.
- D. Any employee who needs to take advantage of sick leave benefits shall notify his/her supervisor prior to or at the start of the employee's work shift on each day (unless he/she has submitted a physician's off work order, or made prior arrangements with his/her immediate supervisor) when such benefits are desired. Failure to comply with this requirement may result in loss of benefits for the work shift in which proper notification was not provided.
- E. No employee is entitled to receive sick leave or benefits from the Agency for any condition arising from or due to employment or business dealings, other than Agency employment, that is undertaken for monetary gain or other consideration.
- F. The Agency reserves the right to investigate any illness or injury or require verification of any illness or injury for which an employee is claiming sick or injury leave benefits including requiring verification by the employee's attending physician, dentist, or other involved medical practitioner. Any sick leave periods for illness or injury which are three (3) or more consecutive workdays in duration must be accompanied with a verification by the employee's physician, dentist, or other involved medical practitioner that he/she is well enough to return to work. If reasonable cause exists and with the approval of the Manager of Human Resources or his/her designated representative(s), the Agency may require verification from the employee's medical practitioner for absences of less than three (3) days.
- G. All regular and probationary employees may accrue sick leave to an unspecified maximum amount and all accumulated accruals shall be carried from one anniversary year to the next.
- H. An employee who is recognized under the terms of this section as ill or injured shall use all accrued sick leave and vacation leave to receive compensation for the time that such illness or injury requires the employee to be absent from work (also see Section 11.03.B).
- The total amount of compensation that will be paid by the Agency is limited to the value of the sum of the employee's accrued sick leave and vacation leave.
- I. Sick leave benefits shall be limited to the accumulated sick leave the employee has accrued by the end of the employee's sick leave period. No sick leave benefit will be paid in advance.

- J. Employees who resign or are laid off from Agency employment after being employed by the Agency for five (5) or more years of continuous regular employment, shall be compensated for accumulated, unused sick leave as follows:

<u>YEARS</u>	<u>MAXIMUM MAX REIMBURSABLE HOURS ACCRUABLE</u>	<u>PERCENT PAYABLE</u>
5	320	25%
6	360	25%
7	400	25%
8	440	25%
9	480	25%
10	544	50%
11	608	50%
12	672	50%
13 & thereafter	736	50%

Employees who are terminated from the Agency, for cause, or who resign or retire in lieu of termination (must have been served with letter, from the Agency, of intention to terminate employment) shall not receive this benefit.

- K. 1) When an employee has been continuously employed by the Agency for a minimum of five (5) years, has reached age 55, and retires from the Agency and the California Public Employee's Retirement System (CalPERS), the employee shall be compensated for 50% of accumulated, unused sick leave based on the years of service as indicated in number 3 of this section.
- 2) When an employee has been continuously employed by the Agency for a minimum of twelve (12) years, has reached age 55, and retires from the Agency and the California Public Employee's Retirement System (CalPERS), the employee shall be compensated for 100% of accumulated, unused sick leave based on the years of service as indicated in number 3 of this section.
- 3) Pursuant to number 1 and 2 of this section, the maximum reimbursable hours accruable is based on the number of years employed with the Agency as follows:

<u>COMPLETED YEARS OF SERVICE</u>	<u>MAXIMUM REIMBURSABLE HOURS ACCRUABLE</u>	<u>PERCENT PAYABLE</u>
5	320	50%
6	360	50%
7	400	50%
8	440	50%
9	480	75%
10	544	75%
11	608	75%
12	672	100%
13 & 14	736	100%
15	770	100%
20 & thereafter	850	100%

- L. An employee who is on Unpaid Status, as defined in Section 1.28, shall not accrue sick leave.
- M. An employee must be in a paid status for a minimum of sixty (60) hours per pay period to accrue sick leave at the rate of 3.692 hours per pay period. The sick leave accrual rate will be reduced for an employee who is not in a paid status for a minimum of sixty (60) hours per pay period using the following formula:

$$3.692 \div 80 \text{ hrs/pay period} = 0.0462$$

$$0.0462 \times \text{hrs paid} = \text{reduced accrual amount}$$

For example: An employee who is receiving pay for 43 hours in a pay period, shall accrue sick leave at the following rate:

$$0.0462 \times 43 \text{ hours} = 1.9866$$

In this example, the employee would accrue 1.986 hours of sick leave, rather than the regular amount of 3.692, for this pay period.

- N. Employees shall be entitled to use up to 80 hours of accrued sick leave during any rolling 12-month period for absences that qualify for “bonding” leave under the Family Medical Leave Act and/or California Family Rights Act. Only employees eligible for “bonding” leave under these laws may utilize up to 80 hours of sick leave for such absences.

Section 11.07. - Sick Leave Buy Back

Each November, an employee may, at his/her option, convert up to a maximum of ninety-six (96) hours of accrued sick leave to receive up to a maximum of seventy-two (72) hours cash at his/her current rate of pay; provided that at least four hundred eighty (480) hours of accrued sick leave remain on the books after the cash out. For each hour cashed out, sick leave accruals shall be reduced by one and one-third (1 1/3) hours.

Year	Accrued Hours as of:	Request for Buy Back Deadline	Buy Back Pay Date
2021	October 16, 2021	November 12, 2021	December 3, 2021
2022	October 15, 2022	November 11, 2022	December 2, 2022
2023	October 14, 2023	November 10, 2023	December 1, 2023

- A. Payment shall be made to qualified employees on a separate check from payroll on the first pay date in December.
- B. To receive payment for the buyback of sick leave the individual must be a current employee on the day actual payment is made.

Section 11.08. - Bereavement Leave

- A. In the event of a death in the employee's immediate family (see Section 1.09.A), the employee shall be granted up to five (5) workdays paid bereavement leave.
- B. In the event of a death in the employee's extended family (see Section 1.09.B), the employee shall be granted up to three (3) workdays of paid bereavement leave to attend funeral or related services.
- C. All authorized bereavement leave shall be charged against the Agency's bereavement bank.
- D. Agency employees may also be excused by immediate supervisors to attend the funeral of a deceased Agency employee who was an active employee at the time of death, without loss of pay.
- E. Vacation time can be used to attend the funeral of a person not included in the definition of immediate/extended family (see Section 1.09) or a former Agency employee.

Section 11.09. - Industrial Injury Leave

Any employee who is injured within the scope of employment with the Agency will receive workers' compensation benefits as provided for under the California Labor Code.

Section 11.10. - Jury and Court Leave

- A. Jury Leave - Any employee who is called or required to serve as a trial juror, witness, or who is a victim of a crime or domestic violence will be excused from work during the period of such service or while present in court as a result of such a call. Any employee on such a call will continue to receive normal salary for a maximum of one hundred (100) work hours, in any one calendar year provided any and all consideration (except mileage) received for such service is relinquished to the Agency. If the employee receives pay from the court for time served on a day that would have been a scheduled day(s) off for the employee, he/she may retain any compensation paid by the court for that day(s). Under special circumstances the General Manager, or designated representative(s), may authorize additional paid time if said time will not interfere or become a burden to Agency activities.

Upon return from jury or court leave, the employee shall present a certificate of service to his/her supervisor. If the employee is excused by the court at least three (3) hours prior to the end of his/her shift, the employee shall be required to report to work. If an employee is scheduled to work night shift, and he/she is required to report as a trial juror or witness, the employee will be re-scheduled to day shift for each day he/she is required to report to jury duty.

The employee shall provide a minimum of ten (10) working days' notice prior to the date he/she is summoned to serve as a trial juror or witness to his/her supervisor in order for the supervisor to make arrangements to cover his/her normal shift.

- B. Court Leave - Pursuant to Government Code Section 1230.1, an employee who is subpoenaed to appear in court as a witness, shall be allowed to do so without loss of compensation unless the employee is appearing as a party or an expert witness.

Section 11.11. - Military Leave

- A. Military leave is a temporary leave of absence for ordered military training, or for active military duty in the Armed Forces of the United States or its Allies or of the National Guard or the Naval Militia, during a proclamation of war or national emergency by the President of the United States or congress, an order or request of the United Nations that the Armed Forces of the United States serve outside of the United States or their territories, or any national conscription act in effect.
- B. The Agency shall comply with all federal and state laws relative to military leaves.

Section 11.12. - Pregnancy, Childbirth & Other Related Medical Conditions Leave

The Agency shall comply with all federal and state laws relative to pregnancy disability leaves.

Any employee who plans to take a leave of absence pursuant to this section shall give the Agency reasonable notice of the date such leave shall commence and the estimated duration of such leave.

If the employee requests a temporary transfer to a less strenuous or hazardous position for the duration of the pregnancy, with the written advice of her treating physician, the Agency will grant the request where such transfer can be reasonably accommodated.

Section 11.13. - Longevity Leave

Employees shall receive the following paid leave hours on the employees' designated anniversary dates:

Section 11.14. - Leave of Absence to Vote

Employees who are registered voters may claim necessary time off to vote at elections as follows:

- A. If an employee does not have sufficient time outside of working hours to vote at an election, the employee may, without loss of pay, take off enough working time which, when added to the voting time available outside of working hours, will enable the employee to vote.

- B. No more than two (2) hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift, unless otherwise mutually agreed.
- C. If the employee on the third working day prior to the day of election, knows or has reason to believe that time off will be necessary to be able to vote on election day, the employee shall give the Agency at least two (2) working days' notice that time off for voting is desired, in accordance with the provisions of this section.

Section 11.15. - Payment of Accrued Leave

Such benefits shall be payable to the employee's beneficiary if designated, or if not, the employee's survivor(s) as follows:

- A. Spouse; or, if none,
- B. Child(ren); or, if none,
- C. Employee's estate.

ARTICLE 12 - LAYOFF PROCEDURES

- A. Whenever, in the judgment of the Board of Directors, it becomes necessary, in the interest of economy or because the necessity for the position or employment involved no longer exists, the Board of Directors may abolish any position or employment in the competitive service and layoff, demote or transfer an employee holding such position or employment without filing written charges and without the right of appeal. Alleged violations of the layoff procedure may be grieved in accordance with Article 15.
- B. Employees being laid-off shall receive four (4) weeks (sixteen (16) working days) notice and shall receive two (2) days of severance pay for every complete year of service for the Agency, up to a maximum of four (4) weeks. Severance pay shall be paid at the employee's current rate of pay.

Section 12.02. - Definitions

- A. Merit. Merit is defined as an employee's performance in his/her position. Performance is rated during the probationary period and an employee's review date and six (6) months thereafter. Unit employees shall be ranked in order of performance. In the event of a layoff, this list of employees, in order of highest performance evaluation to lowest performance evaluation, shall be used to determine which employees shall be subject to layoff.
- B. Seniority. Seniority is defined as the length of continuous service from the last date of hire by the Agency. If a tie occurs, priority shall be determined by the lowest employee number.

Section 12.03. - Layoff Procedure

At no time shall a position be abolished if such reduction would cause or could potentially cause the Agency to be in non-compliance with plant permits. All proper levels of certification required to operate Agency facilities shall be maintained in the event of layoff.

A. Unit employees with less than five (5) years of seniority with the Agency shall be subject to layoff as follows:

1) Merit shall be observed in effecting such reduction in personnel and the order of layoff shall be based on the lowest to highest performance ratings.

B. Unit employees with more than five (5) years of seniority with the Agency shall be subject to layoff as follows:

Seniority shall be observed in effecting such reduction in personnel and the order of layoff shall be in the reverse order based on length of continuous service from the last day of hire in the Agency service upon the effective date of the layoff. For the purpose of determining order of layoff, total cumulative time shall include time served on military leave of absence.

Layoff of regular employees shall only occur after layoffs pursuant to Section B of these procedures have been completed. The order of layoff shall then be initiated pursuant to Paragraph 1 of this section.

1) Employees affected by a layoff shall have the right to placement in:

a. A class within the Unit which they have previously worked. Such placement may only occur if the displaced (bumped) employee has less seniority than the employee who is displacing (bumping) them.

b. Any vacant position with the same or lower salary as the class from which they were laid off and for which they possess the minimum qualifications.

C. Specially Funded Positions

1) When a position is created and is funded by a grant of funds from the State or the Federal Government, the position shall be automatically abolished when the funding is terminated. The incumbent of the position shall be laid off on the date upon which the position is abolished and the layoff procedures prescribed in these rules are not applicable.

2) Any employee hired or promoted to fill a vacancy in a regular, full-time Agency position resulting from the assignment of a regular employee to a specially funded position, may be demoted or laid off in accordance with this procedure at the time the regular employee returns to his/her former position.

D. Reemployment Procedure

- 1) The names of regular employees laid off shall be placed on a reemployment list in reverse order of layoff, and shall remain on such lists for a period of one (1) year unless reemployed sooner.
- 2) An employee called back to an Association classification which he/she previously held shall be returned to employment status without having to requalify for the position.
- 3) An employee called back to fill a vacant position in a classification he/she have not previously held must successfully complete all qualifying examinations for that classification.

ARTICLE 13 - SEPARATION FROM SERVICE

ARTICLE 14 - EMPLOYEE CONDUCT

Section 14.01. - Peaceful Performance of Duties

Participation by a public employee in an unlawful strike, work stoppage or work slowdown may subject the employee to disciplinary action as allowed by state law up to and including discharge. As used in this section, "strike, work stoppage or slowdown" means the concerted failure to report for work, the willful absence from one's place of employment, the refusal to work, the stoppage of work being done by others, the abstinence in whole or part from the full and faithful performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in the conditions of compensation, or the rights, privileges, or obligations of employment.

Section 14.02. - Recognition of Boycotts

- B. No punitive action will be assessed against an employee for utilizing the grievance procedure.
- C. An employee may select another person or organization as his/her representative to assist the employee in processing a grievance at any step in the grievance procedure.
- D. In a hearing or meeting called to resolve a grievance, up to one (1) employee, in addition to the employee instituting the grievance, may be excused from work, with the exception of those called as witnesses, when both parties agree they are necessary to determine certain facts. In all instances, the supervisor, and/or Department Manager of the employee who has filed a grievance may be present. Names of Agency employees requesting pay for attendance to a hearing or meeting should be given to the Manager of Human Resources five (5) calendar days prior to the hearing/meeting.
- E. A grievance shall be prepared on the employee's personal time, not during working hours.
- F. Organizational channels shall be utilized at all times during the grievance process.
- G. No individual member of the Board of Directors may be approached by the employee, or his/her representative, at any time regarding a grievance.

- I. Any time limit may be extended upon the mutual agreement of both parties.
- J. An employee shall initially attempt settlement of a grievance at the employee-supervisor level.
- K. All grievances shall be treated as confidential by all parties, and no publicity will be given until the final resolution of the grievance.
- L. An employee's grievance must be submitted within thirty (30) calendar days after the event giving rise to the grievance. Grievances not presented within this thirty (30) calendar day period shall be considered untimely and ineligible for processing through the Grievance Procedure.

Section 15.02. – Purpose

- A. To promote harmonious labor relations by establishing procedures on grievance matters.
- B. To provide that grievances shall be settled as near as possible to the point of origin.
- C. To provide that the grievance procedure shall be as informal as possible.

Section 15.03. – Procedure

- A. Grievances involving salaries, promotions, and performance appraisals may be processed up through Step 3 of this procedure.
- B. There shall be an earnest effort on the part of both parties to settle grievances promptly through the steps listed below.
- C. The following procedures outlined herein constitute the steps necessary to address an employee's grievance:

Step 1:

- A. An employee's grievance must be submitted to the Manager or Human Resources or designee within thirty (30) calendar days after the event giving rise to the grievance. Grievances not presented within this thirty (30) calendar day period shall be considered untimely and ineligible for processing through the Grievance Procedure.
- B. A meeting with the employee, Union Representative (if the employee chooses), the Supervisor or designee, and a representative from the Human Resources department will be arranged at a mutually agreeable location and time to review and discuss the grievance. Such meeting will take place within eight (8) business days from the date the grievance is received by the Manager or Human Resources or designee. The Supervisor or designee will give their written answer to the employee and Union Representative, if applicable, by the end of the eighth (8) business day following the presentation of the grievance and the giving of such answer will conclude Step 1. Should the Supervisor or designee fail to respond within the allotted timeframe, the employee may proceed to the next step.

Step 2:

- A. If the grievance is not resolved in Step 1, the employee may proceed to Step 2.
