The Inland Empire Utilities Agency supports the "No Drugs Down the Drain" campaign. The campaign informs California residents about the problems associated with flushing unused, unwanted and expired medications down the toilet or drain. The program provides safe and proper disposal choices. Safely disposing of unused medications helps protect the environment and water supply. To learn more about safely disposing of prescription medication, please visit www.nodrugdownthedrain.org or www.ieua.org.

The Inland Empire Utilities Agency covers 242-square miles, distributes imported water, provides industrial/municipal wastewater collection and treatment services, and other related utility services to more than 875,000 people through its member agencies which include Chino, Chino Hills, Cucamonga Valley Water District, Fontana, Fontana Water Company, Montclair, Monte Vista Water District, Ontario, and Upland.
