## **Inland Empire Utilities Agency Receives Certificate of Achievement for Excellence in Financial Reporting *Agency Receives Award for 20<sup>th</sup> Consecutive Year***

**Inland Empire, CA** - For the 20<sup>th</sup> consecutive year, the Inland Empire Utilities Agency (IEUA) has been awarded the distinguished Certificate of Achievement for Excellence in Financial Reporting award by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR) for Fiscal Year 2017/2018.

This award represents the highest form of recognition in government accounting and financial reporting. Its attainment represents IEUA's commitment to meeting the highest principles of governmental budgeting, financial accountability and transparency.

"This award highlights the Agency staff's continued commitment to producing financial reports that display transparency with a comprehensive understanding of the Agency's financial process," stated IEUA Board President Paul Hofer. "This award recognition is due to the hard work and dedication of our Finance and Accounting team and all of the staff members who contributed to preparing the document. We are proud of the Agency's 20-year award milestone and continued dedication to excellence."

The CAFR is judged by an impartial panel to determine if it meets the high standards of financial reporting, including demonstrating a constructive "spirit of disclosure."

###

*Government Finance Officers Association is a major professional association servicing the needs of over 20,000 appointed and elected local, state, and provincial-level government officials and other finance practitioners.
